

HEAD COACH (MEN'S NATIONAL TEAM)

Basketball South Africa, as the sole, competent authority of basketball in the Republic of South Africa, has as an objective the fielding of representative national teams in FIBA and other recognised international and continental games as well as invitational competitions and tournaments.

Basketball SA is seeking the services of a suitably qualified, experienced and highly motivated National Head Coach to provide coaching services in respect of the national men's team in preparation for participation at continental and international level.

Key Selection Criteria for the Position:

- Must be familiar with the contents of the latest Code of Conduct document released by the National Department of Sports and Recreation South Africa (SRSA);
- Have a proven track record of on-field personal success especially with development teams;
- Display an in-depth knowledge of basketball;
